2.	Andre, Merilyn	52343-0125-90 (Acetris)	Images of bottles of Diovan; one bottle of Solco product	Ex. 109

5.	Bruner, Billy Joe	65862-0573-90	Images of Solco and Aurobindo Rx bottles. Aurobindo product was filled on 7/14/18, but complete lot information or expiration date is not visible on the image. The partial information visible appears to indicate a lot number ending in "20A"; however, none of recalled Aurobindo lots end in "20A".	Ex. 112
6.	Cacaccio, Joseph	65862-0551-90	Images of multiple Aurobindo Rx prescription bottles prior to the initial Aurobindo recall. However, the prescriptions were <u>not</u> dispensed in the manufacturers' bottle; the bottle has a Rite Aid pharmacy label which does not reflect the manufacturer's lot number.	Ex. 113
